AZ CORP COMMISSION
DOCKET CONTROL

IN THE MATTER OF THE APPLICATION OF
TIMBER KNOLL HOMEOWNERS
ASSOCIATION, INC. DBA T.K. WATER
SERVICE FOR APPROVAL OF A RATE
INCREASE

DOCKET NO. W-01902A-09-0293

STAFF'S MOTION TO
CONSOLIDATE

The Arizona Corporation Commission Staff ("Staff") hereby moves to consolidate Docket No. W-01902A-10-0082, Timber Knoll Homeowners Association, Inc.'s ("Timber Knoll") application for approval of a curtailment tariff, with Docket No. W-01902A-09-0293, Timber Knoll's pending rate case.

On March 8, 2010 a recommended opinion and order was issued in Docket No. W-01902A-09-0293. Timber Knoll filed exceptions to the recommended opinion and order on March 15, 2010, March 18, 2010, and March 23, 2010. Among the exceptions filed by Timber Knoll was an objection to the recommended opinion and order's mandate that the Company install an additional 10,000 gallon storage tank. At the April 1, 2010 Arizona Corporation Commission ("Commission") open meeting the Commission discussed the recommended opinion and order's requirement in Docket No. W-01902A-09-0293 that Timber Knoll be ordered to construct an additional 10,000 gallon storage tank. The Commission decided to abstain from making a decision regarding the recommended opinion and order in this matter until the next open meeting to allow Staff an opportunity to explore alternatives to construction of the 10,000 gallon storage tank.

Because the application for approval of a curtailment tariff relates to Timber Knoll's water conservation measures during times of water shortage and possibly Timber Knoll's need for additional water storage, Staff requests that Docket Nos. W-01902A-10-0082 and W-01902A-09-0293 be consolidated.
